

Strategic Plans of the Government Documents Collection 2014-2016

- Focus on ongoing promotional efforts to the community at large
- Continue to upgrade and revise the government documents web page, libguides, and polices
- Focus on selecting more online titles
- Continue professional training through, conferences, workshops, webinars, and online self-paced sessions
- Continue to provide training for the reference staff through webinars, hands-on workshops, online self-paced sessions, and email correspondences
- Conduct a complete inventory physical assessment of the government documents collection for ongoing maintenance
- Finish government documents periodical holdings revision
- Assess the future of our depository status

These plans are in addition to the library's strategic plans that can be found by clicking on the following link http://www.tnstate.edu/library/generalinformation/strategic_plans.aspx
